● ☒ - APPLIED      S-SOFT      M-MEDIUM      H-HARD

The diagram illustrates the chassis multi-flex setting, showing the front, rear, and central aluminum stand configurations. The front and rear sections are labeled "FRONT" and "REAR" respectively. The central section is labeled "CHASSIS MULTI-FLEX SETTING". The front and rear sections are labeled "FRONT ALU STANDS (US)" and "REAR ALU STANDS (US)". The central section is labeled "CENTRAL ALU STAND". The diagram shows the front and rear sections with various components and the central section with a single stand.
