INSTRUCTION MANUAL SUPPLEMENTARY SHEET

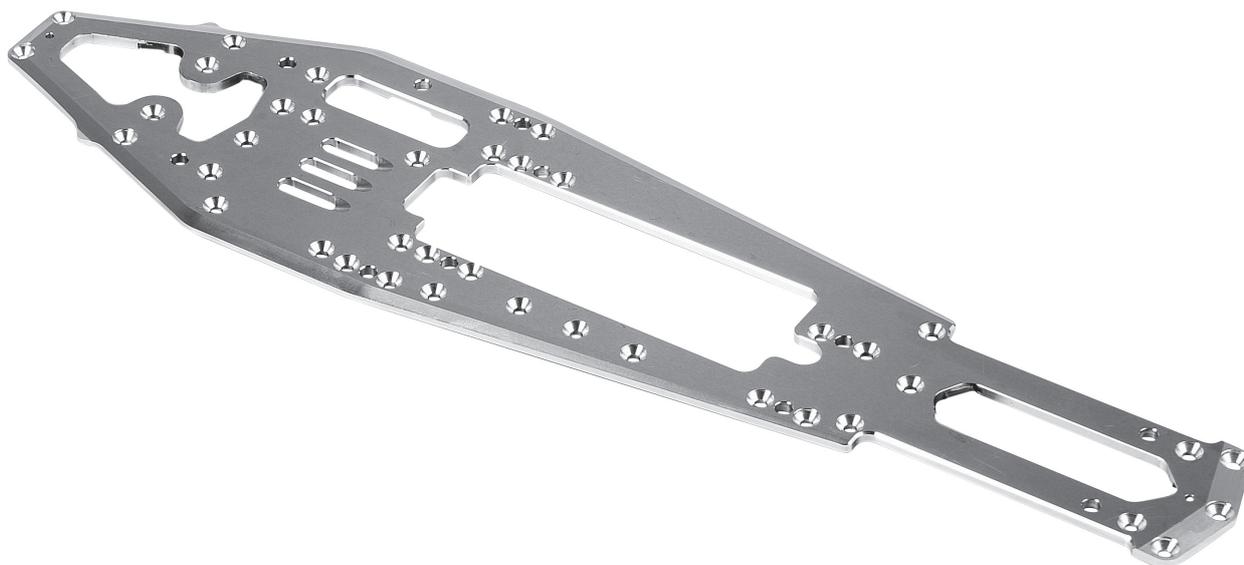

Use this NT1 2011 Supplementary Instruction Sheet along with the standard NT1 Instruction Manual included in the kit. Note that there is a separate instruction manual for the building aluminum shock absorbers.

New and Improved Parts

All of these parts are new or updated from the previous versions. Each part features its corresponding part number which can be used to for re-ordering. You can also refer to the complete exploded views.

Please note that this kit does not include a turnbuckle tool. We recommend that you purchase the #181030 HUDY Turnbuckle Tool 3mm.
