## X10

### 1/10 PAN CAR

#### EUROPEAN CHAMPION

##### PLATFORM

MADE IN  
EUROPE

The X10 is an all-new 1/10 GT PANCAR based on the XRAY's European Championship-winning X12 pancar. Sharing many high-performance parts with its smaller cousin, the X10 has all the finest details incorporated into it to achieve a state of perfection. XRAY focused its efforts on refining all of the already well-thought-out parts and assemblies to make the new X10 easy to drive, work on, and adjust.
